## Livorno Shore Excursions (40 minutes from Livorno)

After the meeting under the ship we will drive to Bolgheri, passing by the Etruscan Coast.

**Bolgheri** is located in the *comune* of Castagneto Carducci, a few kilometers north-west of the chief town and lies in the Province of Livorno in Italy, on the foothills of the Colline Metallifere, south of Bibbona

We offer to all our clients to spend a pleasant and interesting day to the best wineries in **Tuscany**, in **Bolgheri Area** driven by a professional english speaking driver.

This service is dedicated to all those people who are interested in "Wine" to understand the steps from the birth of "grapevine" up to it pouring in the glass. **Castagneto Carducci ...**

**Bolgheri**, cradle of Giosuè Carducci, it known in the world for his "**Super Tuscans Wines**" and inimitable Avenue of Cypresses. (2500!!!)

Bolgheri became an internationally known region following an event in 1974 arranged by *Decanter* where a 6-year-old Sassicaia won over an assortment of Bordeaux wines. Prior to this, Bolgheri had been relatively anonymous producers of ordinary white wines and rosés.

Due to the particular characteristics of the soil and micro climate sunny, dry and moderately windy, the grape varieties of Bordeaux origin tend to thrive, such as Cabernet Sauvignon, Merlot, Cabernet Franc and Petit Verdot.

We will visit Bolgheri and a winery where you will enjoy a wine tasting and lunch. ( euro 25,00 p.p. To be paid on spot directly to the winery).

After the wine tasting we will drive to Castagneto Carducci to see the view of the countryside and the sea...

Finally we will drive back to Livorno.
